The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-811-4793 or visit www.alliantplans.com. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.healthcare.gov or call 1-800-811-4793 to request a copy.

| Important Questions   | Answers   | Why This Matters:  |
|---|---|--|
| What is the overall<br><u>deductible</u> ?                          | <b>\$0</b> person / <b>\$0</b> family. For <u>out</u><br>of network providers <b>\$20000</b><br>person / <b>\$40000</b> family<br>Doesn't apply to <u>preventive</u><br><u>care</u> . | You must pay all the costs up to the <u>deductible</u> amount before this <u>plan</u> begins to pay for covered services you use. Check your policy or <u>plan</u> document to see when the <u>deductible</u> starts over (usually, but not always, January 1st). See the chart starting on page 2 for how much you pay for covered services after you meet the <u>deductible</u> .  |
| Are there services covered before you meet your <u>deductible</u> ? | Yes. <u>Preventive care</u> services are covered before you meet your <u>deductible</u> .   | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive care</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive care</u> at <u>www.healthcare.gov/coverage/preventive-care-benefits</u> .   |
| Are there other <u>deductibles</u> for specific services?           | No.   | You don't have to meet a <u>deductible</u> for specific services, but see the chart starting on page 2 for other costs for services your <u>plan</u> covers.   |
| What is the <u>out-of-pocket</u><br>limit for this <u>plan</u> ?    | Yes. For <u>network providers</u><br><b>\$7000</b> person / <b>\$14000</b> family.<br>For <u>out of network providers</u><br><b>\$N/A</b> person / <b>\$N/A</b> family.               | The <u>out of pocket limit</u> is the most you could pay during a coverage period (usually one year) for your share of the costs of covered services. This limit helps you <u>plan</u> for health care expenses.   |
| What is not included in the<br>out-of-pocket limit?                 | Premiums, balance billing<br>charges, and health care this<br>plan doesn't cover.   | Even though you pay these expenses, they don't count toward the out of pocket limit.   |
| Will you pay less if you use<br>a <u>network provider</u> ?         | Yes. See <b>www.alliantplans.com</b><br>or call 1-800-811-4793 for a list<br>of <b>preferred</b> <u>providers</u> .   | If you use a <u>network provider</u> or other health care <u>provider</u> , this <u>plan</u> will pay some or all of the costs of covered services. Be aware, your <u>network provider</u> or hospital may use an <u>out of network provider</u> for some services. <u>Plans</u> use the term in- <u>network</u> , preferred, or participating for <u>providers</u> in their <u>network</u> . See the chart starting on page 2 for how this <u>plan</u> pays different kinds of <u>providers</u> . |
| Do you need a <u>referral</u> to see a <u>specialist</u> ?          | No.   | You can see your <u>specialist</u> of choice without permission from this plan.  |

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
