Coverage for: Individual or Individual + Family | Plan Type: PPO

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a **summary**. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-811-4793 or visit [www.alliantplans.com](http://www.alliantplans.com). For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. You can view the Glossary at [www.healthcare.gov](http://www.healthcare.gov) or call 1-800-811-4793 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	<b>\$2500</b> person / <b>\$7500</b> family. For <a href="#">out of network providers</a> <b>\$3000</b> person / <b>\$9000</b> family Doesn't apply to <a href="#">preventive care</a> .	You must pay all the costs up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay for covered services you use. Check your policy or <a href="#">plan</a> document to see when the <a href="#">deductible</a> starts over (usually, but not always, January 1st). See the chart starting on page 2 for how much you pay for covered services after you meet the <a href="#">deductible</a> .
Are there services covered before you meet your <a href="#">deductible</a> ?	Yes. <a href="#">Preventive care</a> and primary care services are covered before you meet your <a href="#">deductible</a> .	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive care</a> without <a href="#">cost sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive care</a> at <a href="http://www.healthcare.gov/coverage/preventive-care-benefits">www.healthcare.gov/coverage/preventive-care-benefits</a> .
Are there other <a href="#">deductibles</a> for specific services?	No.	You don't have to meet for specific services, but see the chart starting on page 2 for other costs for services your <a href="#">plan</a> covers.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	Yes. For <a href="#">network providers</a> <b>\$5000</b> person / <b>\$12700</b> family. For <a href="#">out of network providers</a> <b>\$10500</b> person / <b>\$31500</b> family.	The <a href="#">out of pocket limit</a> is the most you could pay during a coverage period (usually one year) for your share of the costs of covered services. This limit helps you <a href="#">plan</a> for health care expenses.
What is not included in the <a href="#">out-of-pocket limit</a> ?	<a href="#">Premiums</a> , <a href="#">balance billing</a> charges, and health care this <a href="#">plan</a> doesn't cover.	Even though you pay these expenses, they don't count toward the <a href="#">out of pocket limit</a> .
Will you pay less if you use a <a href="#">network provider</a> ?	Yes. See <a href="http://www.alliantplans.com">www.alliantplans.com</a> or call 1-800-811-4793 for a list of <a href="#">preferred providers</a> .	If you use a <a href="#">network provider</a> or other health care <a href="#">provider</a> , this <a href="#">plan</a> will pay some or all of the costs of covered services. Be aware, your <a href="#">network provider</a> or hospital may use an <a href="#">out of network provider</a> for some services. <a href="#">Plans</a> use the term in- <a href="#">network</a> , preferred, or participating for <a href="#">providers</a> in their <a href="#">network</a> . See the chart starting on page 2 for how this <a href="#">plan</a> pays different kinds of <a href="#">providers</a> .
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No.	You can see your <a href="#">specialist</a> of choice without permission from this plan.

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
