SoloCare Gold No Referral HMO Chiro 2300 - 3 Free PCP Visits, $5 Generic Rx

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1- 866-403-2785 or visit www.alliantplans.com. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at www.healthcare.gov or call 1- 866-403-2785 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	**In Network:** $2,300/Individual, $4,600/Family **Out of Network:** None	You must pay all the costs up to the deductible amount before this plan begins to pay for covered services you use. Check your policy or plan document to see when the deductible starts over (usually, but not always, January 1st). See the chart starting on page 2 for how much you pay for covered services after you meet the deductible.
Are there services covered before you meet your deductible?	Yes. Preventive care/screening/immunization. Additional details included per service category elsewhere in this SBC.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	No.	You don't have to meet a deductible for specific services.
What is the out-of-pocket limit for this plan?	**In Network:** $9,450/Individual, $18,900/Family **Out of Network:** None	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limit until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges (unless balance billing is prohibited), and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	Yes. See www.alliantplans.com or call 1-866-403-2785 for a list of network providers.	This plan uses a provider network. You will pay less if you use a provider, in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider, for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider, before you get services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.

About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
